

**CAYO™ 3 SEATER SOFA**

Cushion colour – Charcoal Tweed

<p><b>PARTICULARS</b></p>	<p>Create your own outside room with the Cayo Collection™ of contemporary outdoor furniture. Designed for civilised outdoor living, the Cayo Collection can live outdoors, enduring prolonged exposure to the elements while continuing to look superb.</p>
<p><b>CONSTRUCTION</b></p> 	<p>The Cayo Collection™ is constructed from solid New Zealand 'clear wood' pine preservative-treated and painted for exterior durability. Our timber carries FSC* certification for sustainable forest management.</p> <p>Frames finished with a locally-developed exterior paint system comprising primer, acrylic undercoat and a water-based enamel, providing a belt-and-braces durability and can be readily re-painted (after a light sanding). All paint components carry 'Environmental Choice'™ accreditation.</p> <p>All metal fittings are made from stainless steel.</p> <p>* The Forest Stewardship Council (FSC) is an independent, non-governmental, not-for-profit organisation, established to promote the responsible management of the world's forests.          ** Environmental Choice is a programme endorsed by the New Zealand Ministry for the Environment and a member of the Global Ecolabeling Network (GEN).</p>
<p><b>CUSHIONS</b></p> 	<p>Cushion covers are made from Sunbrella® brand fabric which is highly resistant to marking, rain and ultra-violet, while remaining soft and comfortable. Sunbrella will not promote mould or mildew, so long as it is kept relatively free of dirt. Regular cleaning should require little more than a damp cloth and/or hose. Colours available – Charcoal Tweed and Taupe.</p> <p>We use quick-dry reticulated foam – hitherto found almost exclusively on superyachts - which ensures that the cushions will not retain water when left out in the rain. After a rain shower, the cushions will dry very quickly in the sun.</p>
<p><b>DIMENSIONS</b></p>	<p>Overall width: 2400mm, Overall height: 700mm, Overall depth: 850mm</p>
