

Waikiwi Cronz

A UNIFORM BLEND OF TWO COLOURS THROUGH THIS RUG IS ACHIEVED VIA A CLEVER ADAPATION TO OUR MANUFACTURING PROCESS. THIS FINISH IS A FINE, SHORN, PLUSH VELOUR WHICH IS SOFT UNDERFOOT, YET DURABLE. CHOOSING TONE-ON-TONE COLOURS WILL GIVE A SUBDUED, RIPPLED EFFECT, OR MAKE A BOLDER, MORE ARCHITECTURAL STATEMENT WITH CONTRASTING COLOURS.
