

7100 Terminal Kusch + Co

ITS ARCHITECTONIC DESIGN AND ITS TECHNICAL PERFECTION TURN THIS SERIES INTO A BENCH SEATING SYSTEM OF EXTRAORDINARY VERSATILITY. THE CURVED PERFORATED STEEL SEAT SHELL, POWDER COATED IN SILVER, CONTRASTS WITH THE BRIGHT CHROME-PLATED PEDESTALS, ARMRESTS AND SIDE RAILS. IN ADDITION TO ITS ELEGANT LOOK, CHROME IS SCRATCH RESISTANT AND KEEPS ITS SHINE. THE STAINLESS STEEL SEAT SHELL IS JUST ONE OF MANY FINISHES.
